

Utah Diabetes Telehealth Program

3rd Wednesday
of each Month

12 – 1:00 p.m.
(MST)

Wednesday, August 15, 2007

Medications for Diabetes and Cardiovascular Disease Management

Laura Shane-McWhorter, PharmD, BC-ADM, CDE

This month's Diabetes Telehealth Program will focus on new and existing medications to treat diabetes and cardiovascular disease. Our presenter will be Laura Shane-McWhorter, PharmD, Clinical Professor at the University of Utah, College of Pharmacy. In addition to medications for diabetes and cardiovascular disease management, Dr. McWhorter will also touch on the metabolic syndrome and provide an update on the rosiglitazone controversy.

- CEUs offered for nurses (1.5 hours) and dietitians (1 hour) for all Diabetes Telehealth Programs -

Upcoming Programs:

September 19 – No program due to Statewide Preparedness Exercise (equipment unavailable)

October 17 – Clarifying and Applying Lab Results

November 7 – Update on Secondary Prevention Guidelines (sponsored by Utah Heart Disease Program)

Please use registration form sent by email or online <http://www.health.utah.gov/diabetes/apps/threg.php>
(Please register by August 13th for this program)
